

# **Pool Opens TOMORROW**

## **Saturday, May 30th**

---

---

**Dear OXH Residents,**

*Opening Day is almost here! Although we are all excited to be able to open the pool, here are some rules and notices all residents need to be aware of before heading to the pool. The below is not meant to be a complete list of items. Residents are expected to read and follow all notices posted in and around the pool area before and upon entering since rules/notices may change with limited notice.*

*The below rules and notices are in addition to the already published [OXH Pool Rules and Regulations](#) (found on the OXH Website) and take precedence over all previously published rules and regulations. Anyone found in violation of these rules will be at risk of having their household's OXH pool privileges suspended.*

**ALL RESIDENTS MUST sanitize all areas they use at the pool upon entering  
& exiting the pool area.**

*The pool attendant will have cleaning supplies on hand (while supplies last) for residents to use if requested. However, in an effort to keep residents from having to stand in line to use those cleaning supplies, it is recommended residents bring their own cleaner/wipes to the pool with them.*

*As soon as is possible after OXH is notified that someone who visited the OXH Pool tested positive within 14 days of visiting, the **POOL WILL CLOSE** for 24 hours so it can be thoroughly cleaned and sanitized and residents will be notified.*

We will do our best to keep residents notified (via email and social media) as situations arise or conditions change. That said, should the pool have to be closed for any reason, such as for inclement weather or contamination, all sign-ups will be cancelled for the affected time period. **We will NOT be rescheduling or extending times for any slots.**

The plan right now is to update the pool calendar sometime each Thursday with the next week's SignUpGenius links (Saturday through Friday). We ask all residents to be mindful of others and not abuse the SignUpGenius system when reserving times. You may change your sign-up as needed if you create an account, however, please note abuse or misuse of the system may result in possible suspension of pool privileges.

As we are volunteers and residents like yourself, we ask for your patience and understanding during this very challenging time. As always, if you have any questions, please feel free to contact us at the below email address. We will do our best to respond within 24 hours.

Thank you,

OXH Pool Committee
